ANNUAL INDOOR BAPTISM

Sunday, February 12th / all services

Primarily, baptism symbolizes our union with Jesus Christ, and our reception of all the saving benefits that Christ has provided for us through His life, death and resurrection. Baptism is also a beautiful picture of the truth that our sins have been washed away by the blood of Christ. In addition, baptism is a public declaration of our allegiance to the living God.

In order to make this the best experience for you, we are asking that you attend a brief seminar prior to being baptized.

Seminars are scheduled for:

Sunday, January 29th / 10 & 11:30am

Sunday, February 5th / 10 & 11:30am

You need only attend one.

Please sign up for both Baptism and a seminar in the foyer.

A member of the Willow Creek Association.
Pronounced ki (as in kind) and nay (as in neighbor);
a Greek word meaning new, different from the past.
